20.

APPLICATION TO LEASE A PARCEL OF SUBMERGED LAND IN SACRAMENTO RIVER AND A CONTIGUOUS PARCEL OF SWAMP AND OVERFLOWED LAND AT BRODERICK, YOLO COUNTY; THOMAS P. RALEY - W.O. 5117.

Thomas P. Raley of Sacramento has applied to lease a 2.92-acre parcel of submerged land in the bed of the Sacramento River and an adjacent 4.12-acre parcel of swamp and overflowed land, both parcels lying on the Yolo County side at Broderick between the Capitol Mall (Tower) Bridge and the Southern Pacific Company's I-Street Bridge. (The location of planned improvements is shown on Exhibit "A".)

Mr. Raley contemplates the construction and operation of a marina and ancillary facilities on the lands as an adjunct to an existing motel. Requisite permits have been issued by the U. S. Army Corps of Engineers and by the Reclamation Board.

A staff appraisal of the lands indicates annual rentals as follows:

Parcel 1 - Submerged land in river bed	\$ 4,203.70
Parcel 2 - Swamp and overflowed land	<u>5,918.28</u>
	<u>\$10,121.98</u>

The lease agreement will provide for an initial period of fifteen years with lessee's right to renew for three additional ten-year periods. A surety bond in the amount of \$50,000 will be required.

Parcel 2 is the object of conflicting title claims as between the State and the applicant, who has asserted his intention to litigate the matter, but has agreed to a rental pending the outcome of litigation. The lease agreement will therefore provide for the eventuality of a decision adverse to the State by a credit of any rent paid on Parcel 2 to rental accruing for Parcel 1. Also, the lease as applying to Parcel 2 will be without prejudice to either party in later determination of title.

IT IS RECOMMENDED THAT THE COMMISSION AUTHORIZE THE EXECUTIVE OFFICER TO ISSUE A LEASE TO THOMAS P. RALEY, SUBJECT TO TERMS AND CONDITIONS HEREINAFTER STATED, FOR THE CONSTRUCTION, OPERATION AND MAINTENANCE OF A MARINA UPON THE FOLLOWING DESCRIBED LANDS:
